ABOUT US

Fazal Ahmed Enterprises was established in 1990 with so few resources but with a product having distinction in quality. In persuasion of the only objective of “customer satisfaction”, Fazal Ahmed Enterprises gained greater customer affection through the years and as a result, its average exports for the last five years were USD 4.50 million per year and now has 3 production factories in the main city of Karachi, to meet the requirements of customers and two-timing units equipped with the latest machines. The best leather is prepared here under our own strict control to ensure the accrue quality deliveries to our valued customers.

Fazal Ahmed Enterprises has three stitching units equipped with the latest machines and the most dexterous hands. The installed production capacity of Fazal Ahmed Enterprises is 15,000 - 18,000 pairs a day with sustained quality and thus is in a position to make the bulk deliveries within 30-35 days. To meet the needs of customers, the best leather is imported from Saudi Arabia and different African countries.

Dexterity is the only asset Fazal Ahmed Enterprises and ergonomics has become a department. Quality of goods is under so strict measure that each and every unit manufactured is dealt with as a sample. In having a good name among the overseas customers and leading export market of Sialkot, Our pricing department, has also contributed a lot. This department makes sure to offer customers the most competitive and workable prices. Having our complete package so competitive and workable, we have been serving our European, Scandinavian, and American customers since 1990. Finally, we have come to a stage to adopt QSP (Quality, services & pricing) as our business philosophy.
